Re: Notice of File Closure for Small Mining Activities, Danny's Mine #3, S/027/029,
Millard County, Utah

Dear Mr. Land:

This letter is to notify you that file #S/027/029, for the Danny's Mine #3 project, located in Millard County, Utah, will be retired from our files.

On July 17, 1995, the BLM inspected the project and found the reclamation satisfactory and they closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file.

If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Tom Munson
Reclamation Hydrologist
